

RECYCLE FOR SHERMAN SCHOOL – Go Green!

Toner and Ink Cartridges

Collect empty toner and ink printer cartridges and help Sherman earn Staples Rewards Dollars, which are used for classroom and school supplies.

Coke Rewards

Turn codes from Coca Cola products that are printed on the bottle caps and inside the packaging from cardboard cases. Look for the letter and numeric code and turn those in to the PTO box. The codes earn points which can be turned in for items including sports and playground equipment.

Campbell's Labels for Education

Turn labels from Campbell's soups, Franco American, Pepperidge Farm Gold Fish, Prego Italian Sauces, Sawson broth and V8 products. The "label for education" is usually found near the UPC code. These labels are also turned in for points good towards educational supplies.

Capri Sun/Kool Aid/Honest Kids Pouches

The students have recently begun collecting Capri Sun/Kool Aid/ Honest Kids pouches at school during snack and at lunch time. Sherman will receive 2 cents for each pouch collected. Make sure to toss the pouches into the special collection bags.

Help us "Go Green" by dropping off these items to recycle and turning them into free rewards for Sherman School!
