Screening

Dear Parents:

Greetings! We all hope that you had an enjoyable vacation and are ready to get back to the challenging business of learning. The students who took the NECAP tests this fall received their scores just before vacation. The scores were good, but we would all like Sherman School to push the limits and work to continually on improving those scores. That means that every day counts! So let's go and make the most of every minute of our learning for the rest of this school year. We can do it! Since the last principal's challenge was such a success, I think that it is time to try to start thinking of a new one that can be fulfilled if the NECAP scores improve. What do you think? I will take suggestions!

Please remember that part of learning is to be on time and to stay for the whole day at school. Help with this is definitely appreciated! Taking the bus helps to get everyone here on time. Planning appointments after the school day is often challenging but it helps your child get the most out their school time. Last, if you as parents can keep up with checking backpacks and going over homework, your children will benefit greatly. Thank you for your support! Feel free to call or make an appointment any time.

Mrs. Paton

Upcoming Events

February 26, 2010

Training to be a reading tutor at the curriculum office 830-11:30. Please let the office know if you are interested. This is sponsored by VOWS.

Dental clinics at school

March 1-March 5

Kindergarten Registration
Bring your child's birth certificate and health records, and your proof of residence.

March 2, 2010

PTO meeting in the library at 7:00 pm

What has been happening at Sherman!

The principal and the toad

Many thanks for all the books that were collected for Books are Wings. These books will be given to students in other Rhode Island communities. Kissing the toad was not so bad!

Talkworks

Grades 3, 4, and 5 were able to participate in an anti-bullying assembly on February 12, 2010. The students participated in skits and learned again how to handle bullying. There will be some homework for families that will be sent home after vacation. The students were respectful, responsible, and ready during the sessions. Nice job!

Owls

Mrs. Pezzullo's second grade had the Audubon Society come in to their classroom to give a presentation about owls. They even got to see a real owl!

Thank you!

These programs would not be possible without the funding through the Sherman PTO. They also helped with the photography of the events and supplied the props for the challenge. Thanks again!!

Perfect Attendance Term 2

The Warwick Public Schools offers free developmental screenings for all children between the ages three and five. Screenings are completed at for vision, hearing, speech and language, general development and social and emotional skills. The State Department of Education encourages this screening for all children. To schedule an appointment, please contact Dolores Hyle, Child Outreach Project Director at 734-3230
